

VMC Single Hook 7230NE Moscow Lok

VMC

Product number: VMC-7230NE-ML

Cheburashka hook especially for trout, perch & zander.

from 6,29 €* 6,29 €

Designed for the Cheburashka technique, this hook has an extra-large eye that optimises freedom of movement and does not restrict the swimming action of your favourite softbait. The PFTE coating, Mikor barb and SuperLong NeedleSharp point ensure absolute penetrating power. The exclusive VMC Flourocarbon Resin Keeper keeps softbaits in the perfect position for a few more bites and extends their life. The best technologies in one hook.
