

VMC Light Inline Barbless Treble 7552B 8 pc

VMC

Product number: RA-S7552B

Perfect for Catch & Release

6,90 €* 6,90 €

Special fine wire VMC treble for barbless plugs to release the fish. Perfect for fishing with feeling: perch, zander, trout... Suitable for catch & release.

Features:

- Inline mit Öhr
- Flat steel
- Fine-stranded
- Hybrid
- Without barb
- Hi-Carbon - Carbon stabilises iron during changing temperatures. The higher the carbon content, the stronger and more stable the steel. VMC uses only premium quality carbon steel. This carbon steel allows us to produce thin and durable hooks of the highest quality.
- Needle Sharp - VMC Needle Sharp is the latest in VMC technology, the result of a special grinding process followed by chemical sharpening.
