Minn Kota Portable Charger

from 102,99 €* 102,99 €

MINN KOTA PORTABLE CHARGER 12V

Bring the action right to the boat. Our Portable chargers juice up your battery in multiple stages to keep you on the water longer, and they're designed to lengthen overall battery life.

Automatic Multi-Stage Charging

Delivers the right amount of power at each phase of the charging process for an accurate charge that extends battery life.

LED Display

LED display indicates power ON, charging, full charge and check connection
