Railblaza Cleatport

Two applications in one.

It's a simple idea, but very effective. Now your cleat can hold your fishing rod, mobile phone, drink, navlight, or anything else that a RAILBLAZA accessory can hold.

The cleat gives you a tie off point for stern lines and bow lines on small craft. The StarPort gives the extra functionality of adding any RAILBLAZA accessory.

Check out the video below for more information and ideas.

Also included is our unique backing plate (pictured below), designed to keep stainless fastenings isolated from aluminium decks to avoid corrosion.

RAILBLAZA Part Numbers:

03-4044-11 Cleatport (black)

03-4044-21 Cleatport (white)
