

Railblaza RailMount Mounting system 32-41mm with StarPort

Railblaza

Product number: RB-9150256X

RailMount system by Railblaza

24,99 €* 24,99 €

RAILBLAZA RailMounts are simple-to-use mounts, allowing the easy attachment of RAILBLAZA accessories to your rails.

Simply screw the RailMount together onto your rail, no need to drill holes so you can easily move the RailMount to a different spot, and your rail is as good as new!

The RailMount 32-41 is specifically designed for both circular AND square 32 mm (1.25 in) rails, 41mm (1 5/8") round rails such as those found on Hobie kayak outriggers, and the multi-sided Hobie H-Rails.

All RailMounts come complete with adapters, rubber grips, self-adhesive grip tape and the necessary stainless steel mounting screws.

These RailMounts have been designed with the Aka rails and H-Rails on Hobie kayaks in mind, finally giving Hobie enthusiasts an off-the-shelf solution to mount a whole range of accessories to their rails.

IMPORTANT: Use of petroleum based lubricants on the StarPort slide will cause failure. Silicone based products are best suited (please check contents of lubricant before using).

RAILBLAZA Part Numbers:

Black: **03-4013-11**

White: **03-4013-21**

Delivery includes:

1 x RailMount 32-41 mouldings (2 pieces)
