

Railblaza RodStow Rod Holder Storage System for Boats

Railblaza

Product number: RB-RODSTOW

Vertical fishing rod storage system for boats and garage

from 9,95 €* 9,95 €

The RodStow rod holder system is a vertical fishing rod storage system for boats. RodStow rod racks will hold your rods above deck, safely and securely, ready for your fishing experience. The RodStow Single, Double, Triple are available in black or white, and installs in minutes with the supplied stainless steel screws. It features a removable gimbal pin that you can leave in to support the rod and stop rotation, or remove to let the rod pass through. The vertical RodStow rod rack is suitable for most rods and reels, including spinning, trigger, boat and game reels, and any length of fishing rod.

Features:

- Tube size 40mm (1.57in) inside diameter
- Can hold gaffs, boat hooks or nets
- Removable gimbal pin to stop rod rotation
- Made from UV Stabilised, fibreglass reinforced engineering polymers
- Fits all rod lengths
- Stainless steel screws
