Railblaza Starport HD Trac Mount Kit

Want a tool-free and centrally mounted lockable mount on your kayak track?

StarPort HD can achieve this with the addition of the StarPort HD TracMount Kit.

Simply follow the instructions enclosed, or view our installation video by clicking over to the right.

Please Note: The spacer washers included will only be required on some tracks. They are to be used between the Hex Knob and the StarPort HD to stop the screw bottoming out in the track.
