Product number: FFK-WK-14

Kayak from FeelFree

Weight: 39 kg

0,00 €* 0,00 €

Fishing kayak designed for open waters: sea or large lakes. The slim and long hull gives excellent speed, maneuverability and allows to keep the course. Dagon is the fastest model in our line-up. Safe during strong winds or high waves and equipped with all things you need and expect during a fishing trip on open waters. The standard features include, in addition to the FeelFree fishing kayaks typical Uni-Track Rails and the adjustable Gravity Seat, a removable Sonar pod, generous storage space, for example for a FeelFree cooler, behind the seat, a waterproof lockable hatch in the bow, 2 vertical rod holders, 2 rod tip holders, adjustable foot pedals and pre-assembled mounting options for a FeelFree rudder kit.

- Length: 14' 1" (4,50 m)
- Width: 28,74" (73 cm)
- Weight: 86 lbs (39 kg)
- Capacity: 397 lbs (180 kg)
- Uni-Track Rails: 5

Product images may differ in color from the kayak.
