Feelfree Rudder Kit (Moken 12.5, 14 & Lure)

Take control of your kayak's tracking and improve your paddling efficiency with the Feelfree Smart track Rudder Kit. The rudder steering is controlled with your feet with a set of Smart Track Toe Control foot rests that come with the kit along with all the installation hardware. Compatible with the Feelfree Moken 12.5, 14 and Lure 11.5 and 13.5, the rudder system provides the ultimate paddling experience when you find yourself on the water on a windy day or in waters with strong currents.
