FeelFree

Product number: FFK-MK10V2

Remake of the Moken 10 with improved equipment.

1.349,00 €* 1.349,00 €

The Moken 10 is one of Feelfree's most popular kayaks designed for those who want the comfort, stability and features of larger fishing kayaks in a smaller yet fully capable package - now better than ever! The updated kayak now features the new super comfortable EZ Rider Multi-Position + Height Adjustable Seat and is Beaver Tail rudder ready amongst many other new features never seen on this kayak before. And, like most Feelfree kayaks, the Moken 10 also comes with everything you need to get out and go fish including Uni-Track accessory rails for unlimited outfitting configurations, flush mounted rod holders and a large tankwell to store your fishing gear or a cooler. The Moken 10 weighs in at 65lbs and features the patented Wheel in the Keel making transportation to and from your vehicle a breeze. The Moken 10 can also be easily outfitted with the Beaver Tail Rudder for optimal performance. Plus, don't be fooled by its size, this kayak offers plenty of storage areas and can hold up to a whopping 440lbs! The Moken 10 is the perfect kayak for paddling and fishing smaller waters or for those who have limited transportation and storage space but still want it all - this boat has it all!
