2.399,00 €/Stück

Weight: 40.4 kg

2.399,00 €\* 2.399,00 €

The Manta Ray Propel Angler 12 is a real cruiser.

Outstanding features include the sharp bow and sharp stern that enhance gliding, an adjustable 1st class seat for added comfort, the waterproof front hatch for your safety gear, padded grab handles for a more comfortable carry, drink holders, two recessed rod holders behind the seat and a staging rod holder for easy rigging, easy-to-reach track rails for accessory mounting, transducer mounting space and plate under the hull, and Native Watercraft's revolutionary Propel Drive System, all at an affordable price!

This fishing kayak is designed for all-round use - paddlers of all abilities will enjoy exploring rivers, lakes and bays.
