

NRS Inflatable Kayak Star Viper XL

NRS

Product number: NRS-STRVPR-XL

Bigger version of the Star Viper for bigger paddlers.

1.289,99 €* 1.289,99 €

With an aggressive rocker design and eight more inches of length, the STAR Viper XL Inflatable Kayak is built for bigger paddlers looking for an inflatable that can ride over waves, punch through holes, surf and ferry like a hard-shell.

- Bow and stern displacement chambers add flotation while serving as a comfortable backrest and a bulkhead for bracing your feet.
- High-pressure drop-stitch insert on the self-bailing floor provides the rigidity for wave and hole punching performance.
- Included thigh straps lock you in for committed whitewater performance.
- Rugged PVC material fights abrasion and slides easily over rocks.
- Multiple D-rings on the bow and stern decks for rigging gear.
- Bow and stern handles make the Viper easy to carry while also providing extra tie-down points for gear.
- Includes carry bag, pump and repair kit.
