Feelfree Uni Bar Dashboard

Turn the cockpit of your Feelfree kayak into a kayak fishing command center with the Feelfree Uni-Bar Dashboard. This Feelfree exclusive accessory is designed to mount to your Uni-Track system to create an accessible dashboard for all of your electronics and other rigging accessories. Because it uses the Uni-Track system, the Uni-Bar easily slides backwards and forward. It also includes easy access lure hangers along with integrated ruler that measures up to 15". The Feelfree Uni-Bar Deluxe is compatible with all Feelfree kayaks that have the integrated Uni-Track system.

- Fits into the Uni-Track Plate on any Feelfree kayak with the Uni-Track system
- Add accessories without drilling into your boat
- Includes lure hangers and an integrated ruler
- Dashboard position can be easily adjusted
- **The deluxe model includes three Uni-Track Plate Mounts**
