Jonny Boats

Product number: JB-7SUPB

Uni-Track Stand Up Bar fits to Boats and Kajaks

Weight: 2.095 kg 259,99 €* 259,99 €

The Jonny Boats Gear UNI-Track Stand Up Bar is designed to offer support when standing for casting, shooting photos or stretching on the Bass 100. Installs in minutes and can be deployed flat for transport then quickly raised and attached to the UNI-Track rails. Constructed of lightweight yet strong materials, the Stand Up Bar will withstand years on the water.

Jonny Boats Uni-Track Stand Up Bar is compatible with:

- Jonny Boats
- Feelfree Kayaks
- 3 Waters Kayaks
