Superior warmth, protection and traction in a low-profile design, the NRS Men's Kicker Wetshoe is a long-time favorite of rafters and stand-up paddlers.

- Construction combines a 3 mm thick neoprene upper with titanium adhesive throughout for increased warmth
- A sustainable alternative to traditional neoprene, petroleum-free Terraprene neoprene is made from limestone and recycled tires
- 3 mm patterned rubber sole for enhanced traction plus a 2 mm plastic shim for additional protection
- A naturally shaped toe box provides a roomy, non-binding fit
- Reinforced at the toe and heel for long-lasting durability
- A hook-and-loop webbing strap across the top of the foot adjusts for a customized fit
