

Native Watercraft Anchor Trolley System

Native Watercraft

Product number: NWC-AATR

Anchor trolley system for your Native Watercraft kayak.

43,90 €/Stück

43,90 €* 43,90 €

The Anchor Trolley allows anglers to change the direction they are fishing just by sliding the trolley up or down the length of their boat instead of by moving their anchor. You can control the pulleys while seated to fish 360 degrees around every great fishing spot.
