## Lurante Pioneer Tandem 2-person Kayak

Our brand new Lurante Pioneer Tandem is a versatile sit-on-top drop stitch kayak for two persons.

Assembly and disassembly of the kayak is quick and uncomplicated and can be done in about 10 minutes. With a weight of just 19kg, the kayak can be rolled up, stowed effortlessly in an included backpack and transported.

The solid construction of durable drop-stitch material, gives the Lurante Pioneer Tandem excellent dimensional stability and rigidity, similar to hard shell kayaks. The removable fin keeps the kayak on track even in windy and rough conditions.

The comfortable kayak seats with removable bags on the back, can be attached to the side of the boat in just a few steps using straps and carabiners. Booster seats for children are also included.

### **Inflatable kayak features:**
