Railblaza Starport HD Mounting System rectangular black 100x52mm

Many vessels are made to suit the mount base pattern of Scotty, RAM, Cannon, Fish-On, and many others.

Now RAILBLAZA's original accessories can easily be fitted to these vessels.

After many, many requests we introduced a StarPort to fit straight into this space, the StarPort HD. This is a stylish, four screw base mount, which comes with the popular RAILBLAZA locking slide, and is lower in profile than others on the market.

IMPORTANT: Use of petroleum based lubricants on the StarPort slide will cause failure. Silicone based products are best suited (please check contents of lubricant before using).

RAILBLAZA Part Number:
03-4046-11

What You Get:

1 x StarPort HD

Construction Materials

- StarPort HD – UV stabilised AES plastic
- Locking Slide – UV stabilised PC plastic

- Stainless steel fasteners
