FeelFree Gemini

Fast and fun for two, the Feelfree Gemini is a excellent performing tandem kayak whether you are out for a day exploring, snorkeling, fishing or just having fun with the family. With an extra long hull design, this kayak can easily hold two paddlers plus has space for a child or pet in the center. After a long day on the water, the Gemini is easy to tote around using our proven Wheel in the Keel. This kayak is a great investment towards getting the family out on the water.
