Daiwa Tournament Lure Current Master DR 93 9,3cm

Floating Lure

This 93mm floating lure is a real secret weapon for zander, perch and asp. The DR model is made for medium water levels. By the patented „Mag Lock Silent Weight Oscillation System“, exceptional casting distances can be achieved. The special construction of the body and the diving lip makes this lure also suitable for fishing in stronger currents and rivers.

Strong flanking and suspending action make this lure the perfect choice for twitching- and stop-and-go techniques.

Diving depth ca. 1.5-2.0m, trolled up to 2.5m
