Product number: HYB-B3T-HB

Big twitchbait for hunting esox and catfish.

21,50 €/Stück

Weight: 0.08 kg

21,50 €* 21,50 €

The B3 is the largest wobbler of Hybrida. It lures especially big pikes and sheatfishes. The bait gets a water depth of 0-3,0 m. Countless pikes get caught with this bait lure. The lure performs a heavy left-right movement if you reel in by Stop&Go.

Effect: maximal action with minimal speed.
