

## Hybrida Lure Twitchbait K1 9cm 25g WFOH Whitefish Orange Holo

Hybrida

Product number: HYB-K1T-WFOH

The little brother of the legendary K-3.

Weight: 0.025 kg 15,90 €\* 15,90 €

Near-surface imitation of prey fish is the great strength of the K-1 Twitchbait. Easy twitching makes the wobbler flank seductively. Thus one can adjust perfectly the escape behavior of the prey fish. The combination with abrupt stops provokes many predators to bite.
