Illex

Product number: IL-DC48-F

Dive up to 2 metres deep with the Illex Diving Cherry 48 lure and attract chub, pike and perch.

20,69 €\* 20,69 €

## Dive in with the Illex Diving Cherry 48 lure - Perfectly balanced for unique catches!

The **Illex Diving Cherry 48 lure** is not just a lure, but a precision weapon for anglers looking for adventure in the depths. With a precise diving depth of 2 metres, this crankbait is a master at reaching the right depth to attract even the shyest predators. Its **versatile design** skilfully combines wobbling and rolling, making it an irresistible hardbait.

When the water is shallower than 2 metres, the **Illex Diving Cherry 48 lure** shows its fascinating versatility. Its wide blade allows it to gently tap against rocks and submerged trees when 'bottom bouncing' while moving forward with a rolling motion. Thanks to its intelligent design, the treble hooks rotate upwards on contact, which minimises tangling. This means you can concentrate fully on tracking down fish on obstacles and experience unforgettable moments on the water.

### Features:

- **Target fish:** Asp, pike, perch
- **Length:** 4,8 cm
- **Weight:** 7,8 g
- **Swimming behaviour:** Floating
- **Swimming depth:** 2,0 m

Experience the fascinating performance of the **Illex Diving Cherry 48 lure** - the ultimate companion for exciting fishing days!
