

# Illex Lure DD Arnaud 100 SP

Illex

Product number: IL-ARN100-SP

There are a few reasons why this lure exists for a decade.

25,95 €\* 25,95 €

When it comes to activating lazy predators that have retreated into the depths, the DD Arnaud is quite often the solution! Thanks to its long shovel, it dives to a good 3m and reacts wonderfully as a suspender to short jerks that make it flank like a wounded prey fish. It is easy to cast and runs tight wobbling when cranked in and the kick back action is no problem with the DD Arnaud!
