

# Illex Lure Mag Squad 160 SP 16cm 34g

Illex

Product number: IL-MS-160SP

Top lures for fishing pike, perch, zander and co.

31,49 €\* 31,49 €

At the request of our TEAM ILLEX testers, Seiji Kato and his Japanese lure development team have designed this 16cm version of the legendary MagSquad Jerkbait Minnow, now widely used by pike anglers across Europe. This large model is designed to provoke attacks from the largest freshwater and marine specimens. Has all the fish catching power of the MagSquad 128 but in an oversized package!
