

Illex Tricoroll 55 HW Lure 4,5g

Illex

Product number: IL-TRIC-55HW

The heavy weight version of the beloved Tricoroll 55 S.

18,99 €* 18,99 €

The Tricoroll is one of our favorites. This little Minnow is designed for trout fishing in the river and has all the attributes that will make it definitely an ultra-light classic! Ultra realistic finish. Perfectly balanced body, stable in the streams. 3 different versions: SP = Suspender, especially effective on rivers with even depth, where the predators are below fish shoals. S = sinking, one version is slowly sinking and HW = heavy weight, the fast sinking version. All 3 models can be accurately casted to precisely fish small, promising spots. Rolling action that is slow or fast - absolutely deadly. The flanks already flash seductively at the lightest twitch. Very easy and effective to jerk and twitch. Owner triple hooks.
