

Lucky Craft B'Freeze 78SP DD Pointer Lure

Lucky Craft

Product number: LC-BF78DD

A blend of action and imitation that makes the Pointer - B'Freeze a classic in lure fishing.

15,99 €* 15,99 €

The POINTER DD has been designed with a very low center of gravity through the use of special brass weights. The low center of balance causes the lure to wobble and vibrate whenever the retrieving motion is stopped. The POINTER will suspend 7 -8 feet deep and will emit an intriguing bass-calling vibration, while in the suspended state. A short twitch of the fishing rod will generate the "Walk the Dog" action under the water.
