

# Lucky Craft B'Freeze 78F Pointer Lure 8,5g Plasma Gold Bait

Lucky Craft

Product number: LC-BF78F-JP-7054

A blend of action and imitation that makes the Pointer - B'Freeze a classic in lure fishing.

Weight: 0.0085 kg  
15,99 €\* 15,99 €

The B'Freeze / Pointer has been designed with a very low centre of gravity using special brass weights. The low centre of gravity causes the lure to wobble and vibrate as soon as the cranking is stopped. The B'Freeze / Pointer swims 1.2-1.5 metres deep and emits a fascinating fish vibration when floating. A short twitch of the fishing rod produces the "Walk the Dog" action under water.
