Lucky Craft Bevy Minnow 45 SP Fishing Plug: A lure that makes the difference.

The **Lucky Craft Bevy Minnow** isn't just a wobbler - it's a revolution in lure design. Inspired by optical lures like the smelt, this minnow presents a straight and easily recognizable silhouette that attracts fish almost magnetically. Its versatile design allows you to use it in a variety of applications: Float it to arouse curiosity, or twitch (move it jerkily) it slightly to attract the attention of resting fish. However, the *Bevy Minnow* achieves its maximum efficiency when retrieved slowly. And while many think that "match the bait" technique depends only on the length of the bait, the Bevy Minnow also relies on an adjustable cross-sectional area to vary its volume.

Eigenschaften:

- **Visually appealing:** inspired by natural baits like smelt.
- **Versatility:** Can be used floating or twitched.
- **Effective Use:** Particularly effective when retrieved slowly.
- **Customizable Silhouette:** Allows you to vary the volume by adjusting the cross-sectional area.

Go for a lure that has a proven track record. Choose the Lucky Craft Bevy Minnow 45 SP plug for your next fishing experience.
