Experience top fishing success with the Lucky Craft SW Surf Pointer 115 MR lure

Do you fish in saltwater areas? The **Lucky Craft SW Surf Pointer 115 MR lure** will revolutionise your fishing technique! Equipped with an innovative weight transfer system, this lure enables exceptionally long casts - a decisive advantage when hunting shy target fish such as zander, sea bass and pike.

Perfect design for unrivalled saltwater fishing performance

- Exceptional weight transfer for long casts
- Unique swimming style that attracts sea bass
- Flexible at different retrieve speeds
- Three sharp and robust treble hooks

Unique swimming motion for maximum attraction

The ingenious design of the Surf Pointer provides an **attractive and lifelike swimming action** that attracts fish irresistibly. Thanks to its easy handling, the lure can be guided at different retrieving speeds in order to react optimally to the current situation.

Precision and durability

Three extremely sharp, robust treble hooks guarantee that every bite leads to a catch. The **Lucky Craft lure** is not only a powerful tool for professionals, but also a reliable choice for amateur anglers who value quality and efficiency.

Recommendation for anglers: The Lucky Craft SW Surf Pointer 115 MR lure is a must for every lure box. It combines Japanese craftsmanship with technological innovation and revolutionises the fishing experience.
