"Walking the Dog" action can be difficult to achieve with some top water baits. Sammy makes it easy. Combine its easy to achieve "Walk the Dog" action with the spitting action of a popper and Sammy gives you unsurpassed top water performance. But that's not all. Add the bass calling, glass rattles and the ultra natural coloring to top water bait that can be cast a long distance, and Sammy becomes a must for all tackle boxes! Sammy has already accounted for victories at the various tournaments within the past three years.
