The Lucky Craft Staysee 90 SP Wobbler 12,5g: Deep Sea Master in Perch Fishing

The **Lucky Craft Staysee 90 SP Lure** redefines deep sea fishing. Designed to go where other jerkbaits can't, it offers the perfect depth of 2.4-3.0m with a superior nose-down attitude that magnetically attracts perch.

Unique design for precision

With its special combination of rattles, the Staysee Jerkbait not only cancels out gravity, but also allows for casts of impressive length and accuracy. Every cast with this **Lucky Craft Jerkbait** promises to be a masterpiece of precision, guiding fish straight to your hook.

Product features at a glance

- Optimum depth of 2.4-3.0m for effective perch fishing.
- Special rattle combination for increased attraction and casting distance.
- Typical Lucky Craft quality and design.

Experience meets innovation in the **Lucky Craft Staysee 90 SP fishing plug**. A must for every passionate angler who wants to master the depths and make the big catch. Discover the potential of this jerkbait and don't keep the perch waiting!
