## The Nays MD MX lure: revolutionise your fishing experience

The **Nays MD MX lure** is more than just an artificial lure - it is your secret weapon for predator fishing. With its appealing design and innovative technology, it offers you the best performance and reliability for fishing with **Nays lures**.

### Magnetic weight transfer system

Thanks to its sophisticated design, the **Nays MD MX lure** enables exceptionally long and precise casts, making it the ideal companion for discerning anglers looking for the perfect Nays lure.

### Responsive and catchy

Experience an explosive action with every jerk - this **Nays Twitchbait** reacts at lightning speed and attracts even the most cautious predators. The responsive and catchy nature makes it an indispensable twitchbait.

### Versatility in every respect

The **Nays Mad Max** offers a choice for every situation and every body of water:

- **Available sizes:** 8,0 cm, 9,5 cm, 11,0 cm
- **Weight options:** 5,8 g bis 16,2 g
- **Swimming depths:** Adapted for surface and deep fishing (0,0 m bis 1,5 m)

### First-class components

This lure is equipped with Teflon-coated treble hooks to ensure that every bite turns into a catch - a quality feature you can expect from **Nays lures**.

### **Product specifications:**

- **Swimming behaviour:** Floating - for a natural presentation of the Nays MD MX lure
- **Material:** High-quality plastic, lead-free
- **Target fish:** Perch, zander, pike

### **Sustainability and quality**

Nays is committed to environmentally friendly production and quality - the **MD MX lure** is lead-free and made from carefully selected materials, a standard you expect from **Nays artificial lures**.
