

OSP Asura Rudra 130 SP Lure 13cm 20g C24 BS Kozakana

OSP

Product number: OSP-R130-C24

A big jerkbait that started with a shocking evolutionary process

Weight: 0.02 kg
27,49 €* 27,49 €

With the incorporation of a flat body, Rudra-SP is able to produce intense flashing effects. The flashing effects and tight, rolling actions from this lure enlarge the productive zone to include wide and deep ranges. Its performance excels in both darting and normal retrieving method and its fish-like actions are especially effective with less active, big bass.

- Length: 13 cm
- Weight: 20g
- Swimming Behaviour: suspending
