

OSP Asura Rudra 130 SP Lure 13cm 20g

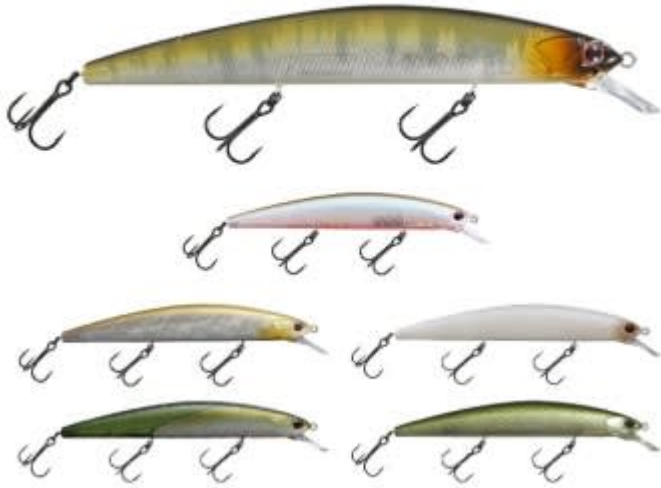

OSP

Product number: OSP-R130

A big jerkbait that started with a shocking evolutionary process

27,49 €* 27,49 €

With the incorporation of a flat body, Rudra-SP is able to produce intense flashing effects. The flashing effects and tight, rolling actions from this lure enlarge the productive zone to include wide and deep ranges. Its performance excels in both darting and normal retrieving method and its fish-like actions are especially effective with less active, big bass.

- Length: 13 cm
- Weight: 20g
- Swimming Behaviour: suspending
