Deep Tail Dancer Wobbler. Here is the answer to the many requests from anglers! The request was for an extremely deep diving wobbler that can push into the "10 metre+ regions". Designed by the Rapala development team, in cooperation with the Rapala fishing pros, the Deep Tail Dancer dives exactly where the very big fish are.

- Attractive movements
- Extremely deep diving
- Unbeatable banana shape
- Swimming behaviour: buoyant
- VMC triplets
- Swimming depth: 4.50 m - 10.00 m +
