A formidable creature, the X-Rap® Otus, combines Rapala's fish-catching X-Rap® construction with a beautifully color matched curl tail to create a seamless hybrid bait. With its slow sink rate and wide wafting tail, X-Rap® Otus is the ideal choice for cold water & challenging conditions. The body rolls side-to-side as the enormous curl tail pulses behind when retrieved. When paused, the tail acts as a parachute, stabilizing the lure as it slowly swims into the depths. The soft tail is firmly secured to the body with a 6-point stainless plate. Spare tail included. Fitted with VMC® Coastal Black hooks.
