

River2Sea ICBM 120 Minnow Jerkbait 42.5g

River2Sea

Product number: R2S-ICBM120

Minnow, jig and jerkbait at the same time.

15,99 €* 15,99 €

The ICBM is the most all-round lure on the market. It can be used in freshwater as well as saltwater. The wide gliding action and unique swimming down action make the ICBM a catching machine.

Fish it fast in summer, slower in winter! Use it as a jerkbait, glidebait or jigbait!

The ICBM catches fish anytime, anywhere!
