

# Zalt Zam Z Lure 61 Silver Blue Back 15cm 76g medium

Zalt

Product number: ZMZ15M-61

Lure from Zalt in the versions sinking and medium.

Weight: 0.076 kg  
16,99 €\* 16,99 €

The new Zalt Zam Z is unmistakably the little brother of the Zam, who served as a model for this new predator trap. With each twitch, the Zam Z staggers heavily to the sides, giving it a little rest will lead it sinking horizontally and shaking severely into the depths, luring each predator out of his hiding place. Available in the sizes 9cm (floating and medium) and 15cm (medium and sinking).
