

Fox Rage Critters Softbait Crayfish Hot Olive UV

Fox Rage

Product number: FR-CRT-HO

Incredible realistic crayfish imitation in 2 sizes.

from 1,10 €* 1,10 €

Fox Rage's incredibly realistic crab imitations feature multiple limbs and extremities for maximum attraction. Above all, the uniquely shaped scissors that move in the water make this soft bait for perch and other predators irresistible.

Another feature is the large hook slot on the back which prevents the bait from getting stuck in the weeds when twitched over the ground.
