

Fox Rage Micro Tiddler Fast UV Loaded Softbait Set 4cm 4pcs

Fox Rage

Product number: FR-NMC043

Micro Tiddler multi pack with the best UV colors.

Weight: 0.003 kg

7,99 €* 7,99 €

The Micro Tiddler Fast is a very versatile soft bait, but especially outstanding on perch and trout. The combination of thick-round body and fast-moving tail looks like a small, delicious snack for the predatory fish in between.

Mount the Micro Tiddler on all sorts of rigs such as Carolina or Texas Rig. Or simply with jig head. The pack contains the colours Green Pumpkin UV, Wakasagi UV, Sun Dance UV and Motor Oil UV.
