1,99 €* 1,99 €

- Available in a large range of colours, including many natural patterns
- Work brilliantly with Rage corkscrew heads and stingers

Taking the proven action and fish-catching abilities of the Pro Shad and combining it with the super lifelike look of the Rage Super Natural patterns already found on the Replicant family, these new lures will give you the edge when it really matters.

- Established fish-catching ability
- Highly realistic Super Natural patterns
- Mimics key bait fish patterns: roach, perch, pike, chub, zander, rainbow trout and brown trout
