

Illex I-Shad Softbait Rubber Worm sinking 7cm 2.8

Illex

Product number: IL-ISD-28

A no-action rubber worm suitable for a large number of rigs.

8,90 €* 8,90 €

The I-Shad is designed to mimic perfectly the movements of small prey fish making it one of the most versatile soft baits imaginable. This lure suits any number of rigs and styles from split shot, micro jig, drop shot, no sinker, live bait rig and Neko rigs. The lure attracts all saltwater and freshwater predators and the rubber material is impregnated to the core with our Super Prawn Formula attractant.
