Discover the Illex Nitro Shad 120 soft bait - the ultimate bass lure for your next catch

Immerse yourself in the fascinating world of the Illex Nitro Shad 120 soft bait - a high-quality soft bait that has been specially developed for sea bass fishing and has proven to be extremely successful. However, this versatile lure is not only at home in saltwater, but also proves to be extremely catchy in freshwater, especially for perch and zander.

With its distinctive 'shad' design and ingenious construction, the Nitro Shad is a real masterpiece. Fitted with the original [Illex Lead Heads Nitro Shad Head](#) and flavoured with our unique [Illex Nitro Booster Attractant Cream](#), this soft bait is a real magnet for predatory fish. Its tail wriggles enticingly while its whole body sways in a natural movement and attracts the attention of the target fish.

Experienced anglers Thomas Engert and Marc Ptacovsky have already enjoyed impressive success with the Nitro Shad, including winning the World Predator Championship at Lac de Bourget in France and a big pike catch at the World Predator Classic.
