Catchy rubber bait impregnated with squid flavour.

Weight: 0.0015 kg

5,80 €* 5,80 €

The profile of our Magic Finesse Shad has been specially developed to achieve success even in difficult situations. The slim body and quite small paddle are perfect for many finesse techniques. The subtle vibrations are particularly appealing to cautious predators and are often the absolute trump card in calm weather and clear water! We recommend the Magic Finesse Shad 3" for all linear techniques and of course drop shot.
