SNAKE TAIL Twister

The attention to detail is mentioned in the name. The snake shaped tail with its strong UV-coating rotates the Snake Tail Twister at the least amount of water pressure much like a ship propeller. Sonic waves are created which totally excites predatory fish. Even in the most difficult of water conditions, this twister can provide for days of great catches. Available in assorted colors. Attractive sales display.

- Body shape, crafted to increase the flank pressure. The wave-like grooves that stimulates and excites the fish.
- Snake-like tail, for achieving an even stronger twister-motion.
- New colors ranging from Engine Oil Brown to Pulsating Pink-design
- "Torpedo shaped Head View", 3D-Eyes with the very special alluring look.
