River Shad

The bait for perch, walleye, and pike! We searched around the world to find superlative of a soft bait. We were successful and the characteristics speak for themselves.

- 9 cm - 12 cm - 15 cm - 20 cm first class sizes for every predatory fish
- "Injection-system" – a special technique for continuously bright and intensive colors
- "Each to Each" 3 compartment casting system – every color is separately inserted. Only with this procedure are the impressive triple color combinations made possible.
- "River Tail" – an immaculate movement with this tail position
- 20 catchable colors – for every water condition the suitable color
