The Fox Rage Swing Ball is a brilliant new range of soft baits that have been designed with an individual run for a very specific use, attracting predators to attack.

The Fox Rage Swing Ball is made from super tough floating plastic and features a spherical tail that creates an intense running action. The spike profile body provides increased vibration, making the Fox Rage Swing Ball an ideal lure for a variety of mounting options. The Fox Rage Swing Ball is supplied in resealable packaging and should always be stored separately from other soft plastic lures.

- Super durable buoyant plastic
- Ball tail on lure provides superior movement
- Spiky body for increased vibration
- Ideal for multiple rigging options
- Offset hook slot
- Comes in resealable packet
- Always store separately from other soft baits
