The Strike King® Shadalicious is a soft swimbait designed to catch more and bigger fish. Everything about the Shadalicious, from its lively action to its lifelike colors, is calculated to improve your on-the-water success. This swimbait is so versatile you can rig it on an open jighead, an internal jighead, or with a weighted hook. Fish it with a slow, steady retrieve, and match the hook size to the bait's size, and prepare yourself for amped-up action. Anglers will also find the Strike King Shadalicious ideal for umbrella-style rigs!
