

Strike King KVD Dream Shot Softbait 10 cm

Strike King

Product number: SK-DS10

Super soft softbait for predator hunting.

Designed by Kevin VanDam, the Strike King® KVD Dream Shot softbait gives you the dropshotter's version of the popular Strike King Caffeine Shad. Molded from super-soft plastic, the KVD Dream Shot features a hinged tail section that quivers and shakes at the slightest movement of your rod tip. Extremely lifelike feel and action – a deadly choice for any dropshot rig.
